Inaugural Friends of Montclair State Baseball Golf Classic Raises More Than \$23,000 in Net Proceeds

Sold-out event brings together alumni, families, sponsors and supporters to fund new fitness equipment for the baseball team

MILLSTONE, N.J. — Friends of Montclair State Baseball hosted its inaugural Golf Classic on September 21 at Charleston Springs Golf Course, bringing together golfers, alumni, families, sponsors and friends of the program in support of Montclair State University Baseball.

Played in ideal weather before a sold-out field, the event generated more than \$23,000 in net proceeds. The funds will be used to purchase fitness equipment that will primarily serve the Montclair State University baseball team.

“It was a great day,” said Montclair State Head Baseball Coach Dave Lorber. “We appreciate all the support from alumni, families, friends and supporters of Montclair State Baseball.”

“This was an incredible day and a true team effort,” said JoAnne Briggs of Friends of Montclair State Baseball. “The generosity we received from parents, alumni, golfers, sponsors, donors and local businesses was overwhelming. I certainly did not do this alone. We did it together.”

Golfers competed for prizes that included a foursome at Metuchen Golf and Country Club, a gift card to The Butcher’s Block and a Golf Paradise membership. A silent auction featured a foursome at Eagle Oaks Golf and Country Club and a Dante’s Restaurant gift card. Vale Cigars provided cigars for every golfer.

The Golf Classic was made possible by the generous financial contributions of Montclair State Baseball families and alumni, along with the support of sponsors and donors, including Title Sponsor Murphy Business Sales, Swag Sponsor Mark Angelo Financial Services and Prize Sponsor JAG Physical Therapy. Parents and volunteers also gave their time and energy before, during and after the outing.

The success of the inaugural event reflects the strength of the Montclair State Baseball community and its shared commitment to giving players the resources they need to succeed.

About Friends of Montclair State Baseball

Friends of Montclair State Baseball is a New Jersey nonprofit corporation and 501(c)(3) organization dedicated to supporting the Montclair State University baseball team. The organization provides financial support, organizes events and promotes the program with the goal of enriching the baseball experience for its student-athletes.
